

# Newtonhill, Muchalls & Cammachmore Community Council

## Who are we?

The Community Council is made up of local residents: eight from Newtonhill, three from Muchalls and two from Cammachmore.

## What do we do?

We gather the views of the community and take such actions, in the interests of the community, as appears to its members to be desirable and practicable.

By working with the Aberdeenshire Community Planning Group, we promote the well-being of the residents within our community council boundaries.

We provide a means whereby residents are able to voice their opinions on any matter affecting their lives, their welfare, and their environment.

We are a statutory consultee for development planning. So, our views on planning applications are listened to.

### **When and where do we meet?**

We meet on the third Wednesday of each month, except July and December. The meetings are usually held in the Skateraw Hall, otherwise they are held in Muchalls Village Hall.
