**Newtonhill, Muchalls & Cammachmore
Community Council**

www.nmccc.org.uk

Who are we?

The Community Council is made up of local residents:

7 from Newtonhill,
3 from Muchalls and
2 from Cammachmore.

What do we do?

We gather the views of the community and to take such action in the interests of the community as appears to its members to be desirable and practicable.

We promote the well-being of the residents within our community council boundaries by associating with Aberdeenshire Council.

We provide a means whereby residents are able to voice their opinions on any matter affecting their lives, their welfare, their environment, its development and amenity.

We are a statutory consultee for development planning. So our views on planning applications are listened to.

It's official, but it's still interesting.

Together with the Kincardine & Mearns Area Partnership ([kmap](#)), we organised **Making it Real**.

When and where do we meet?

We meet on the third Wednesday of each month, except July and December. The meetings are usually held in the Staff room of Newtonhill Primary School, but if the school is closed, then they are held in Muchalls Village Hall.

Do you want to join us?

There are currently two vacancies for residents from Newtonhill to join the Community Council.

What would you have to do?

Meetings start at 7.30pm and finish before 10.00pm. We cover a variety of topics and we would like your input into the discussion.
